ARRANGEMENT | VOCAL MIXING | MULTITRACK MIXING
FILM / GAME MUSIC DEMOS

liulifu11@gmail.com · llfmusiclab.top

Hangzhou, China · Available for remote work

PROFILE

Music producer with a lifelong background in instruments and singing, and sustained self-directed study in arrangement, recording, mixing and production. Cross-disciplinary experience adds visual storytelling, content planning, project management, client communication and AI-assisted workflow skills.

MUSIC PRODUCTION EXPERIENCE

INDEPENDENT MUSIC PRODUCER 2025 - PRESENT

- Arrangement & production:**
Structure, harmony, instrumentation, MIDI, sound design and full-track production.
- Vocal editing & mixing:**
Timing, pitch, cleanup, tone, dynamics and space for natural vocal integration.
- Multitrack mixing:**
Frequency, dynamics and spatial balance for clarity, depth and playback translation.
- Film / game music demos:**
Atmospheric music shaped around picture, pacing and narrative.
- Project delivery:**
Briefing, references, scheduling, revisions, version control and final files.
